

Maximum utility and inspiration for a spezial low price!

AW Spezial – supplemented to total circulation in a bundle

In the anniversary year the special topics range from a printed feature on the AW-Designer of the Year to a journey across Germany with a special focus on "Design & Architecture". Look forward to outstanding and inspiring topics with the highest utility for readers and advertisers – at a special low price!

The monothematic AW Spezials are supplemented to the total circulation of AW Architektur & Wohnen (print run: approx. 100,000 copies) within an exclusive magazine bundle.
